

Apple Worldwide Investor Conference

**September 19, 2024**

For Immediate Release

**Apple Investors, Industry Analysts, Expert Developers to Mix it Up at  
The First Apple Worldwide Investor Conference (WWIC)**

Boston, MA – Sept. 3, 2024. The first Apple Worldwide Investor Conference (WWIC) is set for September 19, 2024, offering individual Apple investors a rare opportunity to engage with the industry experts, financial analysts, and developers in the Apple ecosystem for deep look into Apple's business and market position.

The event will be held in person at Boston's Seaport District and will also be available to a global audience via livestream.

**Discussion topics include:**

- Apple Intelligence: Will it be smart enough?
- Apple's walled garden: How sturdy is it now?
- Apple's silicon edge: How long is its lead?
- The threat of regulation: At home and abroad
- Apple in the developing world: India and beyond

**Event participants include:**

- Dan Ives, Wedbush Securities
- Gene Munster, Deepwater Asset Management
- Horace Dediu, Asymco
- Philip Elmer-DeWitt, Apple 3.0 (ex Time and Fortune)
- Jay Goldberg, The Circuit Podcast (ex Deutsche Bank, Qualcomm)
- Laura Martin, Needham & Co
- Ben Bajarin, Creative Strategies

**Event Details:**

- **Date:** September 19, 2024
- **Event Location:** 399 Congress Street, Boston Seaport
- **Remote Access:** Available via livestream to worldwide participants, see [wwic.live](https://apple.wwic.live) .

Tickets are now available for both in-person and online attendance, with early bird pricing still in effect for a limited time.
